### Specialty Facials

#### Micodermabrasion

A safe and highly effective, clinically proven technique for exfoliation and to diminish the appearance of fine lines, wrinkles, minor scars, acne, stretch marks, and sun damage. It also helps generate the skin cell structure resulting in skin elasticity and more youthful, pliable, smooth skin. You will receive deep cleansing, thorough skin analysis, Diamond Microdermabrasion, gentle soothing massage with moisturizer and sun protection.

\$85 or series of 6 \$425

#### Chemical Peels

Cleansing, thorough skin analysis, followed by the application of the peel. Your esthetician will closely monitor you for any signs of skin irritation. (This peel uses chemical exfoliation to resurface the top layer of skin) It is used to diminish the appearance of uneven pigmentation due to sun exposure. It helps the appearance of enlarged pores, superficial acne scars, age spots, and fine lines). Once the peel is removed a soothing cucumber mask will be applied followed by a skin type specific serum, moisturizer and sun protection.
